Rutherford County Schools Education Foundation

www. <http://info.rcsedfoundation.org/>

* **MISSION:** Our mission is to enrich the educational experiences for our school communities. We know that our greatest asset is our children and youth. Our schools promote leadership and citizenship while preparing their students for success. The RCSEF is helping our schools be the most progressive in the state and nation.

* **MENTORING:** Our goal is to provide each student with a one-on-one mentorship outside the normal student/teacher relationship. Thus resulting in better family relationships, grades, attendance, and behavior. We now have coordinators at every elementary school in the county and continue our great relationship with the McNair Foundation which provides mentors for our middle and high school students.

* **BACK PACK FOOD PROGRAM:** This number continues to grow both in children served and the partners who make it happen. This program supplies food for the weekend. RCSEF now serves as the facilitator for funding while RCS facilitates any coordinating, training or support needed. The Back Pack Food Program is possible through a community effort with financial support coming mainly from faith groups, business, and local food groups.

* **GOING G.L.O.B.A.L.:** Rutherford County Schools is Growing Learning Opportunities Beyond All Limits. A key component to this project is a 1:1 laptop initiative. RCSEF supports the school system in its efforts to prepare students for success in a global community and to help eliminate any barriers that would prevent success.

* **TEACHER RECOGNITION:** The RCSEF takes every opportunity to express our gratitude to our teachers for choosing the profession of education. We have started a Rutherford County Schools Hall-of-Fame and plan further recognitions as funding allows.

Awards

** Top Overall Male/Female
(1st, 2nd, 3rd)

** Top Master Male/Female
