Sunshine Elementary School

Free Screenings: Includes cholesterol, glucose, blood pressure and BMI. A light meal is available to the first 50 screening participants who pre-register for each event. **Call 286-5502 to register.**

Explore exhibits: Even if you choose not to participate in the screenings we encourage you to drop by to explore the many changes at Rutherford Regional Health System and visit with department representatives. Snacks will be served.

Get Together: Dave Bixler, president and CEO of Rutherford Regional Health System, will discuss exciting changes and answer questions.
